## Boxes Under the Bed: Preserving and Archiving Quilt Ephemera

**Samples of quilt ephemera on the Boxes Under the Bed webpages:**

**Boxes Under the Bed** is a national project set up to train local researchers to identify and rescue quilt-related items such as letters, clippings, patterns, etc. in need of preservation. Our regional center partner on this project is the Winedale Center for the Quilt at the Center for American History, University of Texas at Austin. Find out how you can inventory your family's "box under the bed" on The Alliance's website: [www.allianceforamericanquilts.org/boxes](http://www.allianceforamericanquilts.org/boxes).
